

**THE UNIVERSITY OF TEXAS MD ANDERSON CANCER CENTER**  
**ONCOLOGIC EMERGENCY MEDICINE VISITING RESIDENT ELECTIVE**  
*Available beginning in September 2017*

**OVERVIEW**

The Emergency Center at M.D. Anderson Cancer Center (MDACC) in Houston, Texas, cares for over 26,000 patients annually. **The Oncologic Emergency Medicine Visiting Resident Elective** is now open to any qualified second or third year resident from an accredited US EM residency program interested in learning about the emerging discipline of Oncologic Emergency Medicine. This elective is designed to expose interested residents to oncologic patients at a world-class comprehensive cancer center and provides an opportunity to learn about common and rare cancer-related emergencies. During the elective, the resident works directly under the guidance of a board certified EM faculty member.

**ELECTIVE HIGHLIGHTS**

- |  |  |
|--|--|
| <ul style="list-style-type: none"><li>• Receive hands on training in a patient population that is complex and critically ill</li><li>• Learn standard and novel treatment therapies in oncologic care</li><li>• Four 10 hour shifts per week for 4 weeks</li></ul> | <ul style="list-style-type: none"><li>• Weekly didactic session attended by faculty, fellows, and residents</li><li>• Present a case-based discussion of an Oncologic Emergency related subject of individual interest (with a faculty member)</li></ul> |
|--|--|

**QUALIFICATIONS AND APPLICATION PROCESS**

**Qualifications:** The applicant must be a resident in good standing at an ACGME-accredited residency program in Emergency Medicine in the U.S.

**Requirements:** Curriculum Vitae (CV), Parent Program Director Recommendation Letter, CPR Certificate, ECFMG Certificate, if applicable, and eligible for Training Permit issued by the Texas Medical Board

**Application Process:**

MDACC utilizes the online Discover Application System. Please call or e-mail the contacts below for more information. We recommend contacting the Department of Emergency Medicine at least 6 months ahead of your elective start date.
